

Programs and Activities

August 15 through September 25, 2010

National Park Service
U.S. Department of the Interior

Join us for a variety of ranger-led programs, from easy walks and evening talks, to boat tours and all-day hikes.

RANGER-LED ACTIVITY SCHEDULE

We have a big schedule of activities that are tailored to suit a wide variety of needs and abilities. Come and spend some time with us and have a great vacation in the park.

- Here are a few ideas to help make your hiking adventures more enjoyable.
- Sturdy foot gear is a must for all but the very easiest of hikes. Everyone should have good boots, with strong support, to help prevent ankle injuries.
 - Bring water with you! The mountains can get very hot in the summer. Surface water in the park may be unsafe to drink.
 - Mosquitoes and flies can be bothersome. Come prepared with repellent to avoid some of Glacier's smaller wildlife species.
 - A day of hiking can expose you to more sun and UV rays than normal. Wear a hat and sunscreen. It will help keep you cool and prevent a sunburned scalp!
 - Weather can change quickly. Come prepared with rain gear for summer showers.
 - Bring something to eat while you are in the backcountry. If you are on an all-day hike or a hike over the noon hour, you'll get mighty hungry without lunch. Remember, if you pack it in, pack it out.
 - Children are welcome on interpretive activities, but should always be accompanied by an adult.
 - Come prepared to have a great time!

Ranger-led hikes are a traditional way people have experienced the park for decades. In this picture from 1975, Ranger Bob Schuster leads a group of hikers to Red Rock Falls in the Many Glacier Valley.

Happy Birthday to Us!

It's Glacier National Park's Centennial Year and we have a number of special celebrations planned.

Stop by any visitor center for a copy of the Centennial Events Calendar. Events will be taking place both inside and outside the park all summer long.

Special Programs and Events

At Home In This Place: Native Perspectives on Glacier National Park

We invite you to experience the new permanent interpretive exhibits at the St. Mary Visitor Center. The exhibits feature Blackfeet, Kootenai, Salish, and Pend d'Oreille perspectives on their long and personal relationships with the land we today call Glacier National Park. Dioramas, models, videos, interactive maps, and original artwork are included in the exhibition. The exhibits opened to the public on July 1.

Astronomy Under the Big Sky

Explore the wonders of Montana's big sky. Solar scopes will be set up in various locations throughout the park to view the sun during the day. Telescopes will be available at night to explore the Milky Way with our resident astronomer. Look for fliers at park visitor centers for more details.

The Glacier Institute

Institute instructors host one, two and three day outdoor workshops and youth camps that immerse participants in this stunning and stimulating environment. Glacier's mountain classrooms are home to more than 1,200 species of plants, 240 species of birds and 65 species of mammals. Instructors are all recognized experts in their fields. Join them for a learning adventure you will never forget. Call (406) 755-1211 or stop by any visitor center for a course catalog.

Native America Speaks

We have invited our neighbors from the Blackfeet, Salish, and Kootenai Tribes to share their cultural history and traditions—past, present and future with us. Join them at evening campfire talks throughout the park. Also this summer, recording artist Jack Gladstone shares his Blackfeet heritage at both the Lake McDonald Lodge and the Many Glacier Hotel. Check inside this paper for times and information.

Avalanche Lake Hike
Discover how the power of water and other geologic forces have shaped this unique environment on the way to glimmering Avalanche Lake. This hike gains 500 feet over 2 miles. Participants should wear hiking shoes and bring water and a snack or lunch to enjoy at the lake. Meet at the roadside parking lot on the Going to the Sun Road across from Avalanche Campground. **4 miles (6.4km) - 3½ hours**

Fire in Glacier Walk
Explore the Robert Fire of 2003 and discover the vital role wildland fire plays in the Crown of the Continent Ecosystem on this moderate hike. Meet at the Rocky Point trailhead 0.2 miles north of the Fish Creek Campground on the Inside North Fork Road. **2 miles (3.2km) - 2 hours**

Oxbow Stroll
Join us for a casual morning stroll through the diverse habitats along lower McDonald Creek and discover why Glacier National Park is world famous for its biological diversity. Meet in front of the Apgar Visitor Center. **1.5 miles (2.4km) - 2 hours**

John’s Lake Loop
A walk through the unique cedar-hemlock forests of the Lake McDonald Valley captivates the senses and allows for a discovery of both natural and human connections to the land. Meet at the John’s Lake trailhead sign, 1.5 miles east of the Lake McDonald Lodge on the Going to the Sun Road. **3 miles (4.8km) - 2 hours**

Nurturing Native Plants
Join us for a close-up look at how plants are grown in our Native Plant Nursery to be used in revegetation projects around the park. Meet on the front steps of park headquarters just outside the West Entrance. **1½ hours**

Lake McDonald Boat Tours
Cruise the dancing waters of Lake McDonald and enjoy a sampling of Glacier’s stories while aboard the historic DeSmet. Meet at the dock behind Lake McDonald Lodge. Arrive 15 minutes early to pay the fee charged for the boat trip. **1 hour**

Discovery Cabin
Stop by anytime between 5:00pm and 6:00pm to touch a grizzly bear’s claws, feel a wolf’s amazing coat, and wear an elk’s antler! Stop at the Apgar Visitor Center for directions then follow the “wolf tracks” to the cabin.

Apgar Campground Ranger Talk
Join us at the Apgar Campground Amphitheater for an exploration of Glacier’s natural and cultural history. Bring the family, your curiosity and your questions for an interesting look at this incredible place. **45 minutes**

International Peace Park Hike
Hike with both US National Park Service and Parks Canada Staff on this exploration of the world’s first International Peace Park. Hike across the international boundary from Waterton to Goat Haunt and return to Waterton via boat. Meet at the Bertha LakeTrailhead in Waterton Townsite at 10:00 am. Although this is a moderate hike, there is some elevation gain and loss. There is a charge for the return boat trip and you should make reservations before starting the hike. Bring proper identification for the border crossing. Each hike is limited to 35 people, so you must pre-register at either the St. Mary Visitor Center in Glacier (406-732-7750) or the Waterton Lakes Visitor Information Centre in Waterton (403-859-5133). Reservations are only accepted for the next scheduled hike (open on Wednesday for Saturday hikes; open on Saturday for Wednesday hikes). **8.5 miles (13.6km) - 7 hours**

Kootenai Lakes
Join this Ranger-guided hike through excellent moose habitat to Kootenai Lakes. These lakes lie beneath looming Citadel Peak. There is little elevation gain as we stroll through mature forest and meadows. Take the 10:00 cruise from Waterton, and return on the 5:30 pm boat. Meet at the Goat Haunt Ranger Station. **6 miles (9.6km) - 5 hours**
